Notes	<ul style="list-style-type: none"> • This product is a web-only application. The information contained in this report only applies to this release of this application. • Accessibility conformance details for other ServiceNow products are covered in separate reports. See Accessibility Conformance Reports on the Product Documentation site. • Any customization of this application or the ServiceNow AI Platform may have an impact on the specifics in this report.

Evaluation Methods Used

- This application was evaluated using the most recent versions of multiple browsers (Chrome, Safari, and Edge Chromium).
- Assistive technologies used in this evaluation included NVDA, JAWS, VoiceOver, TalkBack, and ZoomText. Additionally, the keyboard was used exclusively to navigate and operate the product content and functionality.
- The evaluation process used a combination of independent 3rd party assessments and automated checks, as well as human testing/evaluation of specific workflows.
- This Accessibility Conformance Report is based on known conformance issues related to Government Service Portal. Other potential accessibility and usability issues may exist but are unknown at this time.
