Notes	<ul style="list-style-type: none">• This product is a web-only application. The information contained in this report only applies to this release of this application.• Accessibility conformance details for other ServiceNow products are covered in separate reports. See Accessibility Conformance Reports on the Product Documentation site.• Any customization of this application or the ServiceNow AI Platform may have an impact on the specifics in this report.• This version of the report replaces the Xanadu Shopping Hub version dated July 10, 2025.

Evaluation Methods Used

- This application was evaluated using the most recent versions of multiple browsers (Chrome, Safari, and Edge Chromium).
- Assistive technologies used in this evaluation included NVDA, JAWS, VoiceOver, TalkBack, and ZoomText. Additionally, the keyboard was used exclusively to navigate and operate the product content and functionality.
- The evaluation process used a combination of independent 3rd party assessments and automated checks, as well as human testing/evaluation of specific workflows.
- This Accessibility Conformance Report is based on known conformance issues related to Shopping Hub. Other potential accessibility and usability issues may exist but are unknown at this time.
